## STANLEY DEVELOPMENT TRUST

**Stanley Development Trust** was formed in 2008 to improve the quality of life and environment of the village of Stanley and its surrounding area. The Strategic Aim of the Trust is: 'To Develop a Vibrant and Sustainable Community'. The themes supporting this Aim are:

'Improve Activities and Facilities, Especially for Young People'

'Conserve and Enhance the Environment and Heritage'

### **Our achievements in 2015 included:**

- Carrying out a consultation with the Village into the new housing developments
- Continuing the befriending and mentoring project
- Assisting with a feasibility study into a community Sports Hub for Stanley
- Maintaining a website to share information on local activities and events
- Continuing the successful Time Bank scheme in Stanley
- Continuing Stride for Life walks in the village
- Initiating a Lunch Club for the Village

### **In 2016/17 we plan to:**

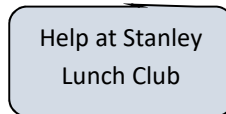

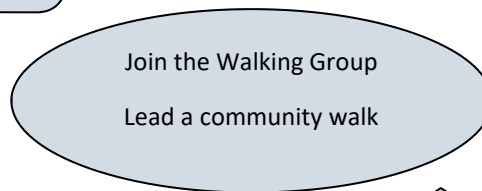

- Continue to assist with developing a community Sports Hub for Stanley.
- Further develop local cycle paths and walking routes including a feasibility study for a Stanley – Luncarty Cycle Path.
- Continue to develop the Time Banking scheme.
- Continue to develop the Lunch Club.
- Continue the befriending and mentoring project.
- Work with local authorities to provide social prescribing.
- Organise, along with local organisations, a Stanley Community day.
- Explore the potential for a Men's Shed in Stanley.

**Why not join the Trust. We need your help. All ages welcome. Membership is free.**

Email [secretary@stanleydevelopmenttrust.org](mailto:secretary@stanleydevelopmenttrust.org) for more information.

We'll be delighted to receive your suggestions for activities that we might undertake in the future.

## STANLEY TIME BANK

Time Banking is an exciting way for people to come together in their local community to share their time, talents, skills and experiences.

The great thing about a Time Bank is that everyone has something to offer and everyone can take part.

It's a flexible volunteering opportunity – people fit it into their lifestyle.

Here are some examples of the services that Stanley Time Bank members share: dog walking; baking; gardening; sewing; simple home repairs; help with computers; chicken minding; shopping; companionship; lifts to hospital.

Time Banking is built on the principle that for every hour a person contributes they receive the equivalent in time credits.

### 1 HOUR = 1 TIME CREDIT

Time Bank members exchange their time credits when they need something done. Since the launch in March 2013 Stanley Time Bank members have clocked up an amazing **3,000** hours helping in the community. There are over 85 Time Bank members.

*"Contributes to community spirit."*

## STANLEY & DISTRICT PUBLIC HALL

The Main Hall and Stage has been completely re-decorated recently and new soft furnishings provided. This has seen the completion of a major upgrading which commenced last year with the new roof.

Further work planned for this year will see an upgrading of the electrical installation.

This continued investment in this long established community facility over the past 4/5 years has made this a more attractive and user friendly building for our current users and hopefully more groups and individuals will be encouraged to make this a regular venue for Meetings and Activities.

Increasing the frequency of usage will allow the Committee to continue to invest in improving the building for the community's benefit.

Like all Groups we are always looking for fresh blood to assist and we would be pleased to hear from anyone in the community who would be interested in joining The Hall Committee or becoming a Hall Trustee.

Please contact either of the following - Stanley Middleton (Trustee) 828206 Robert Baldie (Treasurer) 828263 or Angela Hutton (Secretary) 827578

PLEASE GIVE US YOUR SUPPORT TO DEVELOP  
THE VILLAGE HALL

## SCOTTISH MEN'S SHEDS ASSOCIATION

The Scottish Men's Sheds Association was founded in 2009 by a few people in the NE of Scotland who had a dream and actively started making it a reality. One village and one shed at a time, several years on and there are many sheds throughout Scotland.

Is this a dream that you would want to be involved in within Stanley? I believe there is an aspiration for Stanley to have a Men's shed and am looking for like-minded people to help make this a reality for our community.

Do you have time on your hands, want to meet other like-minded individuals? It needn't be just for older men, but available to all from the age of 18 upwards. There is a great deal of talent out there and I would like to see it tapped for the benefit of its members and the community as a whole.

We still need to find premises in which to meet but initial enquiries have started. It won't be easy and will take time but with your help we can make it happen.

If you are interested, please contact me to register your interest.

## DEVELOPMENT TRUSTS ASSOCIATION

### **DO YOU USE FUEL OIL TO HEAT YOUR HOME? Read on:**

If you buy Fuel Oil to heat your home you could by ordering through ‘Development Trusts Association Oil Buying’ scheme obtain favourable rates and for every Litre purchased allow the community to benefit. Every Litre bought through the DTAS scheme will give £0.01p back to the community.

For example:

If 1000 Litres of Heating Oil costs 34.0ppl (pence per litre) (ex VAT). This means ‘you’ will pay £340.00(ex VAT) for this fuel, of this Stanley Development Trust(SDT) will receive a commission of 0.01 ppl ie. In this example £1.

Almost every domestic oil buyer in the UK purchases 3000 - 6000 litres of Heating Oil every year.

If for example 5000 Litre (*a year*) oil buyer in your area used our website to purchase all of their fuel, the trust would make £5 every year from that oil buyer.

If 10 oil buyers buy 5000 Litre a year the trust would make £50 a year

### **A Reminder of the key benefits to the “end user”**

- Our service will allow the “end users” to purchase fuel online (or over the phone)
- We have negotiated fantastic prices with local deliver partners – there are 2 in this area, this means the price that you pay is even better!
- If you currently buy fuel in a traditional buying group, using our service means that you do not have to wait until “the group” want to purchase their oil.

You get a group buying price but have the control over your own ordering – a big advantage compared to the larger oil buying group. Local DTAS Rep: David Trevallion, 827404
