Members of the public: 3

1. **Apologies:** Rev. A. Lough

2. **Minutes of meeting held on 08.11.16:**

These were proposed and signed by the Chairman and second by K. McKeown.

3. **Matters arising:**

3.1 PK 2 Choice Menu:

Clr. Laing and W. Reiche had spoken with Susan McLean who stated that there was a trial menu being carried out in Stanley and Luncarty Primary school all points were put across the menu has now been changed.

3.2 BT Phone Boxes:

As BT were currently undertaking a process to identify public payphones that they considered no longer viable and would be removed. An option might be for the community to adopt a box for £1. W. Reiche researched this and it was confirmed that no boxes in the Stanley area were being removed at this time.

3.3 Lynn Road Development:

P. Mackie and W. Reiche had a meeting with the site foreman in December, at present the Sub-Contractors are installing the drainage drainage for the new development, this will last until about March. Muir Homes have also received planning permission to put up a show home at the entrance to the site. The first 9/35 houses are going to be affordable homes. When the development is complete the village might expect approx 300 more residents. P. Mackie will be contacting Mr Munro (SDT) for further information regarding the developers contribution to enhance the infrastructure within the village.

A member of the public has raised concerns regarding the route and timing of HGV's accessing the site. Vehicles are driving along Store Street at one of the busiest times of day, a road which is already congested with a number of parked cars and school children/parents making their way to Stanley Primary School. It was brought to the Community Council attention that vehicles could possibly use a different route or try to avoid peak times. P. Mackie will speak to the Site Foreman to try and resolve this.

4 Police:

Commanders Bulletin - Overnight on Thursday 3rd November, a white Citroen van was broken into whilst parked in west Brougham Street, Stanley.

The police will be returning to a more Community based Policing approach where there will be dedicated officers for certain areas.

5 Secretary's Expenses: Nil
