Stanley and District Community Council

Minutes of 7th Meeting
Held on 14th February 2017 in Stanley
Village Hall at 7:00pm

Present: -

Werner Reiche,	Chairman
Peter Mackie	Vice Chairman
Ewan Stobbie	Member

Councillor B Vaughan
2 Members of the public

Apologies were received from: -
Councillor G Laing
Nicholas Greshchuk
David Ross
Kirsty McKeown
Reverend Adrian Lough

Minutes of meeting held on 10.01.17 were agreed, proposed by the Chairman, seconded by the Vice Chairman

Matters arising:

Police Report

Sgt J McKeag, accompanied by Constable Carol Addison gave a breakdown of the new community policing model by Police Scotland.

- Stanley is part of the Strathmore area
- The intention is to give a regular contact that communities can approach
- The community policing team can be contacted by e-mail or phone
- Face to face meetings can be arranged as and when necessary
- Further information can be found on the Police Scotland website using postcodes

It was stressed that immediate issues should still be phoned in

The police were asked to take some action re the parking in the village – vehicles parking too close to junctions, this is causing problems for buses and HGV's at street corners.

Strathord Park Development

A number of concerns were raised about the Strathord Park Development

It was intimated that Muir Homes will have a manager on site from 20/2/17 and a meeting is to be arranged to raise the concerns voiced and to seek a mutually acceptable resolution.

Action by Chair or Vice Chair

Muir Homes have submitted plans to build on the further plots but this has been rejected at present due to inaccuracies in the documents

Defibrillator

The costs of installing at least one defibrillator in the village are still be investigated. Costs can vary but are in the region of £2000 with an installation cost of approximately £250. There is a need for a trickle feed of electricity.

A suitable location is required and letter will be sent to local business to determine if they are willing to act as a "host" for a defibrillator.

Action by Chair

It was thought that a demonstration of how a defibrillator can be a life saver might influence the final decision to purchase one.

Action by E Stobbie – investigate getting a demonstration at a future meeting.

Highland & Strathtay Action Partnership

It was intimated that £1000 of funding may be available for community projects. The closing date for applications is 28th February 2017
A Participatory Budgeting Event will be held on the 25th March in the Main Hall at Birnam Institute and the recipient of the money will be selected by public vote.

Stanley Development Trust

The results of the Sports' Hub feasibility study will be announced at a public meeting in the village hall, 19th February 2017.

Action – Vice Chair will attend

Castle Huntly Community Projects Team

A letter was received from the above team offering assistance with community projects – this is similar to the services provided with the Community Payback Team which members are more familiar with.

Date of next meeting: 14th March 2017 at 19:00

Meeting closed: 20:00
