

# West Stormont Historical Society

We are interested in anything and everything to do with the history of our area - which includes the villages of Bankfoot, Luncarty, Murthly, Pitcairngreen and Stanley.

We hold regular meetings in the villages of the area - usually on Monday evenings. Some of our meetings consist of talks by experts in their field.

On other, more informal, occasions we get together to share ideas and recount personal experiences.

Our achievements to date include researching and publishing the tombstone inscriptions in local graveyards and holding exhibitions of local historical material.

Our annual subscription rates are very modest.
