25 August 2020

CRSC-0036 - A9 DUALLING: LUNCARTY TO PASS OF BIRNAM
U38 CLOSURE BETWEEN A9 AND FIVE MILE WOOD

Dear Resident,

We are writing in connection with the A9 Dualling: Luncarty to Pass of Birnam project and, in particular, with regards to forthcoming traffic management changes that may affect you.

As part of our works to realign the U38 road between the A9 and Stanley, via Five Mile Wood, we intend to close the road over a short length for approximately three weeks from 7th September 2020, between its junction with the A9 and the car park at Five Mile Wood.

This closure will allow us to progress works to tie in the new Luncarty Link Road and works at the new Stanley/Tullybelton Junction.

The closure will be in place 24/7 from the 7th September and there will be no through access for vehicles, however local access will be provided through the closure for residents at Newmill Cottages from the A9 only.

During the period of the closure, signed diversion routes will be in place as follows:

- A9 southbound to Stanley traffic will divert via Luncarty North junction and B9099
- A9 northbound to Stanley/Five Mile Wood will divert via Luncarty south junction and B9099
- Stanley to A9 – diverted via B9099 through Luncarty to A9 northbound and southbound

Pedestrian and emergency vehicle access will be maintained at all times.

These works are weather dependent. We apologise for any disruption this closure may cause and would like to thank you for your patience whilst we undertake these vital works.

Should you wish to discuss this, or any other part of the works, please contact us on 0800 193 7313 or by email: A9L2B@balfourbeatty.com

Yours sincerely

Alan Brisbane
