23 September 2020

CRSC-0036 - A9 DUALLING: LUNCARTY TO PASS OF BIRNAM
Temporary diversion following the reopening of the U38

Dear Resident,

We are writing to you in connection with the A9 Dualling: Luncarty to Pass of Birnam project and, in particular, changes to traffic management that may affect you.

The U38 between the A9 and Five Mile Wood closed earlier this month to allow us to complete tie in works and footpath construction around Stanley/ Tullybelton Junction. We anticipate that this section of road will reopen to traffic from 6am on Wednesday 30 September 2020.

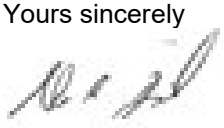

In order to construct the new slip roads at the Stanley/ Tullybelton Junction, we now require to divert traffic from the U38 via the new Luncarty Link Road to access the A9 at Luncarty North Junction. This new diversion route will be in place upon the reopening of the U38 between the A9 and Five Mile Wood.

The new temporary diversion route is shown on the map overleaf.

The diversion is expected to remain in place until approximately mid-November or until the new southbound slip roads connecting the A9 at Stanley/ Tullybelton Junction are complete.

We apologise for any disruption these works may cause and would like to thank you for your patience. Should you wish to discuss this, or any other part of the works, please contact us on 0800 193 7313 or by email: A9L2B@balfourbeatty.com

Yours sincerely

Alan Brisbane
