An extra Board meeting was held to discuss the Stanley-Luncarty Active Travel Route Community Consultation. The consultation provided an opportunity for participants/residents to comment on the two route proposed options within the TP&E feasibility study

The Board considered the feasibility study and comments received from the community consultation. The two route options were discussed in detail and it was noted that there were benefits and downsides of both routes.

A vote was taken, and the Board unanimously agreed that Option Y was the preferred route to take forward.
